

Important note for resellers:

This type of adapter can be sold in the EU until 30/06/2015 and only as a spare part to replace a lost or broken identical power supply.

You need to write down the primary load product for which the spare power supply is intended to be used on the box sticker.

Fill in the reference code of the primary load in this area.

This note applies to the following adapters:

PS1205AC

PS1210AC

PS1505AC

PS1510AC

PS1810AC

PS2410AC

PS905AC

PS910AC
