to your
balance scooter

For all ages
easy to
learn

Lots
of
fun

Product information

- With this kart you can transform your balance scooter into a fun Gokart
- Very easy to ride, and lots of fun
- Spin on a dime
- Drive fast only a few centimeters from the ground
- Durable metal frame
- Easy to mount on your balance scooter, and light weight
- Fits all DENVER scooters - from 6.5" up to 10"
- please notice - balance scooter are not included

Even though it is often safer to ride in this kart compared to on the balance scooter, we still suggest you wear safety equipment like helmet, elbow, hand and knee protection.

Make sure to follow your country rules regarding balance scooters. In many countries it is only allowed to ride it in closed courts or private roads.
